

**Finding of Suitability to Lease  
Right of Way (ROW)  
In the area of Fleet Rec Park  
Naval Station Norfolk, VA  
To VDOT  
For relocation of Power lines  
License LIC-0-1119**

In accordance with ASN I&E Memorandum of 22 December 1993, I have reviewed the Environmental Baseline Survey (EBS) and/or related appropriate information concerning this property.

According to the findings of the EBS the site (as indicated on the drawings supplied by VDOT to PWCNORVA) is suitable for lease by Naval Station Norfolk to VDOT for the Installation/relocation of the existing Power Lines in support of the future work on Hampton Blvd and I564. No environmental concerns were identified in the EBS for this location.

Hazardous substances or petroleum products have not been stored for one year or more or known to have been released, treated or disposed of on the parcel.
